

Hi,

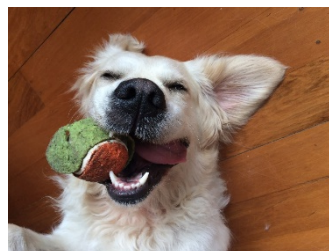

You are going to come to my place for the first time

Children and teens come here for a reason. Something is not going so well. I am going to help you.

When you arrive here, you will find me at the end of a road. You can look for the red mailbox with Snoopy. I am all the way down the driveway, and the room we meet in is at the back of the house.

I also have animals! We have rabbits and chickens in the garden, you can visit them. We have two cats who sometimes are around, and two Golden retrievers. You can choose if you want them in the room.

When you come here, you will be staying for an hour. The last 5 minutes we can ask one of your parents to join us if they can, so we can share things if needed. Oh, and I am from Europe, the Netherlands, so I will have a funny accent.

Looking forward to meeting you!

Cheers, Arletta
